I would like to give you some info on HOP (Hands-on Practice) grading policy.

All chapter HOPs count 10 points. HOPs for chapter 8 and 9 combined count 10 points as well.

- Include the Mozilla Firefox output and the corresponding HOP code together, at least two HOPs per word doc page.
- Highlight the new key component/attributes of each HOP. See examples: 2_HOP_Ch2_screenshots_TEMPLATE.docx, 1_Project_Submittals-TEST_PLAN+with_screenshots.docx and 1_Project_TEMPLATE_ch7_and_so_on.docx for chapter 7 at http://classes.jgspectrum.com/classes/218_F22/Guidelines/.
- If a HOP includes a footer, put your email address at the footer.
